TOPOLOGY AND MARKETS

American Mathematical Society. Hardback. Book Condition: new. BRAND NEW, Topology and Markets, Graciela Chichilnisky, This volume presents the proceedings of a workshop on geometry, topology, and markets held at The Fields Institute. The workshop was attended by eminent mathematicians and financial and economic theorists. Using a topological approach, the volume discusses new mathematics and its applications to social sciences and financial markets. Topics addressed at the workshop included new topological invariants for existence, characterization and computation of market equilibria and...
