

Broke Brain

By Carl D Schultz

Page Publishing, Inc., United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.1 Broke Brain is brief travel through a traumatic brain injury by a survivor of one. Personally it s feels good to finally dig-up a memory s existence. These memories that relate to each other in time-line or setting gradually open avenues to this injury s inception. The sensations that most enjoy with its myriad of pleasant feelings wake to roll over but the back of my head s grabbed and forced down into mushy and bloody gray that forces a scream then coma at the outset. A high note with nervous tones squeals in total servility and rapidly moves with a grinding scream to claw down a blackboard. That signals an injury from the brain where all physical pain can be blocked by the injury itself but mental pain emanates oh so freely. Along with a need-to-know for all, this entire book is a preface of sorts for survivors, care-givers and perhaps professionals as well to show a brain injury and some of its effects. It should be realized that brains are like fingerprints in...
