

The Cotswolds: A Cultural History

Filesize: 4 MB

Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Juliet Mertz)

THE COTSWOLDS: A CULTURAL HISTORY

Signal Books Ltd. Paperback. Book Condition: new. BRAND NEW, The Cotswolds: A Cultural History, Jane Bingham, The Cotswolds have featured on a thousand country calendars, but what is the real story behind the picture-perfect rural scene? Jane Bingham reveals a history of privilege and poverty, idyll and conflict, through the eyes of travellers, writers and artists. Lying in the heart of Southern England, the Cotswolds occupy a significant place in the history of the nation. Ancient stone circles and ruined Roman villas provide reminders of a distant past. Fine churches and manor houses survive from the prosperous Middle Ages, and the landscape also bears the scars of Civil War. The home of kings and nobles since Saxon times, the region is famous for its grand estates, while signs of an industrial age can be seen in its mills and factories. After the wool trade reached its peak in the fifteenth century, the fortunes of the Cotswolds suffered a slow decline as its villages sank into picturesque decay. But in the 1890s the region began to experience a remarkable transformation. It was then that William Morris and his followers discovered the area, establishing thriving centres for Arts and Crafts. In the following century, writers and artists moved to the Cotswolds and there followed a steady rise in tourism. Today, the region continues to attract visitors, as well as country-weekenders and celebrities. Observing all these changes, and picturing the landscape, has been a lively company of writers, artists and musicians. Some, like Laurie Lee, belong to a particular place, while others have viewed the Cotswolds as outsiders. In their writings, art and music, they have all celebrated the distinctive, and sometimes surprising, character of the Cotswolds. FAMOUS FIGURES: Elizabeth I at Woodstock; Charles I at Edgehill; Marlborough and Churchill at Blenheim; The...
