By Cleland Jr. Reid

America Star Books. Hardcover. Book Condition: New. Hardcover. 320 pages. Dimensions: 8.6in. x 5.9in. x 1.2in. Few in the small town of Blessing, Idaho show concern when a troublesome twelve-year-old girl goes missing, but when the parents receive multiple and conflicting ransom notes, a painter working at the girls home finds himself pressed into service as payoff negotiator, and a self-employed security guard is elected the head of a loosely organized and contradictory investigation. He learns that the girls grandmother has provided substantial and continuing aid to the kidnappers, her stepmother would prefer she were not returned, and that his former boss, the cash-strapped owner of a defunct reptile farm, is a prime suspect. But when the payoff is scheduled, a new player emerges in the form of a slow-witted bagboy from the Sack and Carry bent on making the ransom delivery himself, leaving everyone to wonder how he knew about Peaches Butterfields abduction at all, much less the correct rendezvous point and time. Reviews

This publication may be really worth a go through, and a lot better than other. It really is written in simple terms and never difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.
