Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.From the beginning of the Chap. I. - Preliminaries. When, at the end of May last, I said Good-bye to Falconry as a writer on the subject, I was not prepared for the demand which was afterwards made for a practical treatise. That demand, however, induced me to appear again, for positively the last time; and I now offer my readers in a volume of The Field Library what I lately offered them in the paper itself, some few, but I trust thoroughly practical, chapters on the Art of Falconry. I make no further preface, for my object is to keep entirely to the subject before me, beginning at the beginning, placing myself as much as possible in the position of a person who knows nothing of falconry, and trying to present such a treatise to my readers as I desired many years ago to obtain for myself. Let me suppose, in the first place, that a man has some sort of floating feeling that he should like to see the falconry which he has...
