

## When Hull Freezes Over:: Historic Winter Tales from the Massachusetts Shore

---

By John Galluzzo

History Press (SC), United States, 2005. Paperback. Book Condition: New. 229 x 155 mm. Language: English . Brand New Book. The peninsular community of Hull, Massachusetts, reaches a total of seven thin, sandy miles into Boston Harbor, forming a protective barrier against intruding navies and pounding waves. Unfortunately for those residents who choose to live here for the three miles of crescent-shaped beach and its attendant summer advantages, exposure to the sea during the winter months can be, at times, trying, to say the least. When Hull Freezes Over, by lifelong Hull resident and columnist John Galluzzo, is a collection of historic tales that look beyond the sunny days of summer and remember the other nine months of life along this scenic shore. From shipwrecks and drownings, to subzero temperatures and frigid arctic gales, locals have learned to enjoy their seasonal solitude, and especially enjoy the holiday season in ways only New England peninsula dwellers can.
