Butterflies of the World: My Nature Sticker Activity Book

By OLIVIA COSNEAU

PRINCETON ARCHITECTURAL PRESS, United States, 2016.
Paperback. Book Condition: New. 300 x 221 mm. Language: English . Brand New Book. Butterflies, with their transformation from hungry caterpillar to beautiful flying flower, are among the most fascinating animals for children. Observing butterflies and moths introduces them to a wide range of colors and patterns, to the concept of camouflage, and to a colorful habitat of flowers and other plants. Butterflies of the World introduces different types of butterflies and moths through a range of interactive activities and stickers. This activity book will keep children entertained for hours through fun activities, such as sticking on the missing wing of a comet moth or coloring in the wings of a Large Blue butterfly. In the process children learn how caterpillars turn into butterflies, what they eat, how they trick predators, and other interesting facts. A quiz at the end of the book tests their knowledge.
