Orca Book Publishers. Paperback / softback. Book Condition: new. BRAND NEW, Exit Point, Laura Langston, "I'm not dead. I'm still me. I still have a body and everything." "You are still you but you don't have a body. What you're seeing is a thought form." He points to a tall gold urn up by the minister. "Your body is in there. You were cremated." Thunk thunk, thunk thunk. My heart pounds in my chest. Dread mushrooms in my stomach. Sweat beads on my forehead. "But everybody knows death is the end. That there's nothing left but matter." "Death is only the beginning, Logan. Hannah knows that. Lots of people do." Logan always takes the easy way out. After a night of drinking and driving he wakes up to find he has been involved in a senseless car accident and is dead. With the help of his guide, Wade, and the spirit of his grandmother, he realizes he has taken the wrong exit--he wasn't meant to die. His life had a purpose--to save his sister--but he took the easy way out and he failed. Now, before he can rest in peace, he has to try and save his sister from a future no child should face. He will only get one chance and he cannot afford to fail this time--for Amy's sake and for his own. Laura Langston has written picturebooks and novels. She has always been fascinated with the concept of life after death and all things metaphysical. This is her first Orca Soundings. Laura lives in Victoria, British Columbia.
