

## Hart Island

By Stacy Szymaszek

Nightboat Books, United States, 2015. Paperback. Book Condition: New. 196 x 124 mm. Language: English . Brand New Book. In hart island, the poet narrator walks and works in the East Village of Manhattan navigating the day to day needs and desires of a community, an organization, a changing neighborhood, as well as her own. The poem, which begins after she discovers the existence of an appropriated, politically walled-off potter s field/prison, proposes that others are not figurative or metaphorical, but are literal, material that alterity can be both a limit and radiance. Praise for Stacy Szymaszek: Each poem is what I am looking for: a resonance with a particular location, an intelligence unafraid of its humanity, a sort of desperate adequacy with the people or objects that Szymaszek encounters.
