## THE CASE OF THE ELECTRIFIED ENVOY A PRIVATE INVESTIGATORS CLUB MYSTERY THE PRIVATE INVESTIGATORS CLUB VOLUME 5

Your ESL Story Publishers Ltd. Paperback. Book Condition: New. Paperback. 72 pages. Dimensions: 8.5in. x 5.5in. x 0.2in. The Case of the Electrified Envoy is the contest winning story sponsored by the Publisher of the Private Investigators Club series. If you have read the introductions to the other stories in the series, you will appreciate the fact that the story was a last minute entry by the Publisher himself. The story starts with Bobby urging the young detectives to be more professional. To that end, he wants everyone to suggest someone who they can follow as though he were a suspect. They choose an older man who has just moved to Brockville. Dick acts as scout and reports when the man leaves his apartment. Mary scoots over to the supermarket to observe him. Before long all four of the young detectives have the suspect under control. The situation rapidly deteriorates when the suspects landlady blows their cover. They all congregate in the suspects apartment and he tells them what he is doing in Brockville. The discussion gets pretty technical and before long Bobby heads home as he cannot understand it. The others listen to the tale of the unlikely research the Professor is planning. He sets up a demonstration of a portal to another world. Mary walks through the portal and promptly disappears. Tommy and Dick are concerned and call the police. Even the Professor is amazed. The story continues with many twists and turns but luckily for those who want to read the next book in the series, all the detectives survive, we believe. The stories in the Private Investigators Club series are readers for students of age eight or older. People of any age who are learning English as a Second Language may find them entertaining. This story discusses...
